Without limiting any other rights of WaFd hereunder or under applicable law, WaFd may refuse to authorize any Transaction in the event that:

(e) any other reason exists for declining a Transaction as set forth in this Agreement, in the Cardholder Agreement, if any, in the operating regulations of Visa, or under applicable law.

### **3.2 ADDITIONAL DUTIES OF COMPANY.**

Section 3 of the Agreement ("CARD AND ACCOUNT USE") is hereby further modified by revising Sections 3.3(a), (b) and (c) to read follows:

(a) not exceed or permit Cardholders to exceed their respective Account Credit Limits, Cash Advance Credit Limits (if applicable), or the Aggregate Credit Limit;

(b) make all reasonable attempts to ensure that each Cardholder complies with the terms of the Cardholder Agreement;

(c) promptly advise Cardholders of any changes made to their Account Credit Limits or Cash Advance Credit Limits, whether made by the Company or WaFd;

**3.3 CASH ADVANCES.** Section 3 of the Agreement ("CARD AND ACCOUNT USE") is hereby further modified by adding the following new Section 3.7:

**3.7 CASH ADVANCES.** If the Company elects to permit any Cardholders to obtain Cash Advances, such Cardholders may obtain Cash Advances on an Account, up to the Cash Advance

Credit Limit, by presenting a Card and the corresponding PIN to WaFd or to any participating financial institution, or by using the Card and the corresponding PIN at an ATM.

**SECTION 4**

**PROGRAM FEES, TERM AND TERMINATION, REMEDIES AND DAMAGES**

**4.1 CASH ADVANCE FEE.** The fee for each Cash Advance is set forth in the Fee Schedule.

**4.2 FEES AND PERIODIC FINANCE CHARGES.** Section 5 of the Agreement (“PROGRAM FEES, TERM AND TEMINATION, REMEDIES AND DAMAGES”) is hereby modified by revising Section 5.1(b) to read as follows:

(b) Periodic Finance Charges: The Company agrees to pay to WaFd Periodic Finance Charges as described in this Section 5.1(b). Such finance charges will be included in the Company billing statement for the Billing Cycle in which they accrue. If the “New Balance” of an Account is not paid on the payment due date, a Periodic Finance Charge will begin to accrue on each Transaction in the Account from the date of the Transaction and will continue to accrue to the date of full payment. WaFd will figure the Periodic Finance Charges on each Account by applying a Monthly Periodic Rate to the Average Daily Balance for the Account, including current purchases and Cash

Advances, unpaid finance charges, and any other unpaid fees or charges. WaFd will calculate the Monthly Periodic Rate by dividing the Annual Percentage Rate (“APR”) by twelve (12). The APR is set forth in the “Applicable/Potential Fees” section of the Fee Schedule, under the heading “Finance Charge.” To get the Average Daily Balance, each day WaFd takes the beginning balance of an Account, adds any new purchases and Cash Advances, and subtracts applicable credits and payments. This gives the daily balance. Then, WaFd adds all the daily balances for the Billing Cycle and divides the total by the number of days in the Billing Cycle. This gives the Average Daily Balance, including new purchases and Cash Advances, unpaid finance charges, and any other unpaid fees or charges. If the Previous Balance of a current Billing Cycle is either a zero or a credit balance, then the Average Daily Balance will be considered to be zero.

**SECTION 5  
EFFECT OF AMENDMENT**

**5.1 FULL FORCE AND EFFECT.** All of the other terms of the Agreement shall remain in full force and effect except as specifically modified by this Addendum.

**5.2 CONFLICTS.** The terms of this Addendum shall control in the event of any conflict with the terms of the Agreement.

IN WITNESS WHEREOF, the duly authorized representative of the Company has executed this Addendum as an instrument under seal as of the day and year first written above.
